INTRODUCTION

WELCOME TO THE DEEPDENE NEWSLETTER!

This is the first newsletter for 2017 from Deepdene Care Centre in Dorking. We have so much going on here at Deepdene that we know it can be hard to keep up with it all! This newsletter will update you on the highlights of the month here at Deepdene with a collection of our favourite photos from the month.

We really hope that you enjoy this and if you have any recommendations or queries, please email: reception.deepdene@lifestylecare.co.uk

BUBBLES

MUSICAL THERAPY

We have been trying to make sure that every floor gets involved with the activities by alternating which floor lounge we have the activities at. This meant that residents from all the floors got involved with the musical therapy on First Floor! This was one of our most enjoyed activities of the month!

This activity was especially enjoyed by our residents who have dementia as it appeals to all the senses. We were pleasantly surprised that our other residents enjoyed it as well! From this we now have a bubble machine of our own which many of the residents enjoy!

BUBBLES
SPARKLES
MUSIC
FUN!

LANCE THE PIANIAST

FROM BEAUTIFUL MELODIES TO GROOVING TUNES!

Our residents had a real treat when pianist Lance came in to play for them. As a very experienced pianist he took many different requests, playing many old favorites and different genres.

DANCING AWAY!

From classical music to some more upbeat tunes which had some of our residents dancing with the carers. Lance was able to suit all tastes! It was a truly lovely afternoon and we hope to see Lance again soon!

DEEPDENE

NICK ROSS ORCHESTRA

ABOVE

Bill and Laurence sipping their favourite drinks during the interval.

When we heard that the Nick Ross Orchestra would be playing next door, at Dorking Halls, we had to get tickets for our residents! It was a really lovely evening with Bill, Fred and Laurence who all really enjoyed it. Moreover, the orchestra were playing songs from the Glen Miller era, which is Fred's favourite!

Outings are always enjoyable, especially when they include listening to wonderful Big Band music with your favourite drink in hand! Our residents were tapping their feet all the way home!

BIG BAND
MUSIC

SINGIN' AND DANCIN'

CHRISTIE TREATED US TO MUSIC FROM THE 50'S AND 60'S

Christie brought some sparkle to Deepdene (and I'm not just talking about the sequins on her dress!)

Christie's singing had many residents dancing around or tapping their feet to the beat.

NATIONAL GREEN JUICE DAY!

Furthermore, as it was National Green Juice Day our residents were listening with a glass of green juice (made from green vegetables) in hand! Yum!

LADIES OUTING

ON THIS OUTING THE LADIES WENT TO VINERIAS GARDEN CENTER IN BROCKHAM

We took our wonderful Deepdene ladies, Pamela, Gillian, Barbara and Jean to the Vinerias Garden Center for a lovely lunch and tea.

A CHILLY DAY!

It was quite a chilly day but we all wrapped up warm. It was a very enjoyable afternoon and we can't wait for the next outing!
